Everyone is welcome to participate. Youth players can visit the VICTOR DENMARK OPEN with their parents and still play themselves at the same time. Check out the section "VICTOR DENMARK OPEN". It is the badminton experience of the year. And it is all placed in the national holiday week in Denmark, so a lot of other things are going on as well. The city has a cultural explosion of offers this week. This is the week to visit Denmark and watch world class badminton.

Badminton Denmark's Youth Committee will make sure that every foreign player is placed in the right age and strength group.

Players who already participated in Danish tournaments cannot enter at a lower level (strength) than they have previously entered in a Danish tournament.

Players must be entered in order of strength. Players are not allowed to enter more than one age group or level of tournament. They will be withdrawn without warning.

Badminton Denmark's Youth Committee preserves the rights to withdraw players who enter at a wrong level (strength) or age group.
